

## Houghton Regis Neighbourhood Plan – June 2019

The Town Council has finished working on its draft Neighbourhood Plan. The next task is to promote the draft plan via a public consultation exercise. This will be undertaken once the Town Council has appointed a suitably experienced consultant to undertake this work on their behalf.

The consultant is required to prepare and conduct a town wide consultation on the emerging Houghton Regis Neighbourhood Plan, to analyse the consultation feedback and to present findings in a report suitable to be shared publicly.

Tender documents have been published on the government contract finders website, however they can also be viewed via the following link.
