

Houghton Regis Neighbourhood Plan – February 2019

Great news! The Town Council approved the draft Houghton Regis Neighbourhood Plan at its meeting held on the 21st January 2019.

This means that the draft Neighbourhood Plan can now be submitted to Central Bedfordshire Council in order for them to consider the plan alongside their own emerging Local Plan. Once the Town Council has been informed that the plan does not conflict with the emerging Local Plan, the Town Council will look to tender for a professional public engagement consultant to undertake a public engagement/consultation exercise.

Everyone who lives, visits, works or has an interest in the Town will be encouraged to attend a consultation event or visit online for information on how to engage in this stage of the process.
